

## **PUBLIC NOTICE**

### **DEVELOPMENT APPLICATION FEES**

Barcaldine Regional Council wishes to advise residents a Post Construction Fee has been introduced to the Fees & Charges Schedule.

If a building application is lodged after the commencement of construction, during construction or post construction, a "Building Post Construction Fee" will be applied to the application.

The rate will be set during adoption of the Annual Budget. For the 2019/2020 financial year, the rate is 30%.

Residents are encouraged to obtain the necessary Building Approval prior to the commencement of any building work. Town Planning and Plumbing Approvals may also be required with some applications.

This applies to residents both in town and rural sectors.
