PLACES OF INTEREST IN BARCOLDINE

TREE OF KNOWLEDGE MEMORIAL

LAGOON CREEK

Lagoon Creek has undergone a series of improvements and developments since 2002. It is gradually becoming an area where the community and visitors can enjoy the outdoors, exercise and appreciate our local environment. Improvements have been undertaken by Barcaldine Shire Council, the local community and other volunteers.

Approximately 200 bird species have been recorded in the Lagoon Creek area. This is a key attraction for locals and tourists and is providing valuable impetus to implement improvements both for the environment and those observing the birds.

LLOYD JONES WEIR

The Lloyd Jones Weir is 5km along the highway towards Blackall where you turn right and travel for about 9km then turn left on to a sandy soil road for about 1 km.
