

ARAMAC

LEARN TO SWIM

*Let's give every child the chance to learn to swim
this season and remind everyone about the
importance of water safety!*

Barcaldine Regional Council together with Alpha Learn to Swim will be offering a swimming program to all Aramac children, with **no swimming fees for all children (babies to all school age)** for the duration of the program.

5 Week Swimming Program

Proposed starting date Wednesday 6th March 2019

During the program all children will also participate in the national Royal Life Saving Australia Swim and Survive Program as part of the delivery learning key water safety skills.

For more information please do not hesitate to contact us.

Bookings are essential, so please register your interest on the contact details below, before 4th March, 2019.
